

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2013

| INFORMATION                                                                   |                | Value      | Unit            |
|-------------------------------------------------------------------------------|----------------|------------|-----------------|
| 1. Supplier name or trademark                                                 |                | MI         |                 |
| 2. Model identifier                                                           |                | L32M5-5ASP |                 |
| 3. Energy Efficiency Class for standard Dynamic Range (SDR)                   |                | F          |                 |
| 4. On mode power demand for Standard Dynamic Range (SDR)                      |                | 30         | W               |
| 5. Energy Efficiency Class for standard Dynamic Range (HDR)                   |                |            |                 |
| 6. On mode power demand in High Dynamic Range (HDR) mode                      |                |            | W               |
| 7. Off mode, power demand                                                     |                |            | W               |
| 8. Standby mode power demand                                                  |                | 0.5        | W               |
| 9. Networked standby mode power demand                                        |                |            | W               |
| 10. Electronic display category                                               |                | Television |                 |
| 11. Size ratio                                                                |                | 16 : 9     |                 |
| 12. Screen resolution (pixels)                                                |                | 1366 x 768 | pixels          |
| 13. Screen diagonal                                                           |                | 80         | cm              |
| 14. Screen diagonal                                                           |                | 32         | inches          |
| 15. Visible screen area                                                       |                | 2828       | cm <sup>2</sup> |
| 16. Panel technology used                                                     |                | LCD        |                 |
| 17. Automatic Brightness Control (ABC) available                              |                | No         |                 |
| 18. Voice recognition sensor available                                        |                | No         |                 |
| 19. Room presence sensor available                                            |                | No         |                 |
| 20. Image refresh frequency rate                                              |                | 60         | Hz              |
| 21. Minimum guaranteed availability of software and firmware updates (until): |                | 31 12 2022 |                 |
| 22. Minimum guaranteed availability of spare parts (until)                    |                | 30 06 2029 |                 |
| 23. Minimum guaranteed product support (until)                                |                | 30 06 2029 |                 |
| 24. Power supply type:                                                        |                | Internal   |                 |
| i External standardised power supply (included in the product box)            | Standard name  |            |                 |
|                                                                               | Input voltage  |            | V               |
|                                                                               | Output voltage |            | V               |
| ii External standardised suitable power                                       | Standard name  |            |                 |

| INFORMATION                                 |                            | Value | Unit |
|---------------------------------------------|----------------------------|-------|------|
| supply (if not included in the product box) |                            |       |      |
|                                             | Required output voltage    |       | V    |
|                                             | Required delivered current |       | A    |
|                                             | Required current frequency |       | Hz   |
