COMMISSION DELEGATED REGULATION (EU) 2019/2013 with regard to energy labelling of electronic displays

|     | Parameter                                                                                                              | Parameter or value and precision                  |   |     | Einheit |
|-----|------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------|---|-----|---------|
| 1.  | Supplier's name or trademark.                                                                                          | STRONG                                            |   |     |         |
|     | Supplier's address.                                                                                                    | STRONG, rue de Billancourt 54, 92100 Boulogne, FR |   |     |         |
| 2.  | Modellkennung                                                                                                          | SRT 32HC5433/U                                    |   |     |         |
| 3.  | Energieeffizienzklasse bei Standard-Dynamikumfang (SDR)                                                                | F                                                 |   |     |         |
| 4.  | On mode power demand in SDR                                                                                            | 32,0                                              |   |     | W       |
| 5.  | Energieeffizienzklasse bei hohem Dynamikumfang (HDR)                                                                   | G                                                 |   |     |         |
| 6.  | On mode power demand in HDR, if implemented                                                                            | 40,0                                              |   |     | W       |
| 7.  | Off mode, power demand, if applicable                                                                                  | 0,0                                               |   |     | W       |
| 8.  | Standby mode power demand, if applicable                                                                               | 0,5                                               |   |     | W       |
| 9.  | Networked standby mode power demand, if applicable                                                                     | 2,0                                               |   |     | W       |
| 10. | Art des elektronischen Displays                                                                                        | Fernsehgerät                                      |   |     |         |
| 11. | Seitenverhältnis                                                                                                       | 16                                                | : | 9   |         |
| 12. | Screen resolution                                                                                                      | 1 366                                             | x | 768 | pixels  |
| 13. | Bildschirmdiagonale                                                                                                    | 80,0                                              |   |     | cm      |
| 14. | Bildschirmdiagonale                                                                                                    | 32                                                |   |     | Zoll    |
| 15. | Sichtbare Bildschirmfläche                                                                                             | 27,3                                              |   |     | dm²     |
| 16. | Verwendete Panel-Technologie                                                                                           | LED LCD                                           |   |     |         |
| 17. | Automatische Helligkeitsregelung (ABC) vorhanden                                                                       | Nein                                              |   |     |         |
| 18. | Spracherkennungssensor vorhanden                                                                                       | Nein                                              |   |     |         |
| 19. | Anwesenheitssensor vorhanden                                                                                           | Nein                                              |   |     |         |
| 20. | Image refresh frequency rate (default)                                                                                 | 60                                                |   |     | Hz      |
| 21. | Minimum guaranteed availability of software and firmware updates (from the date of end of the placement on the market) | 8                                                 |   |     | Years   |
| 22. | Minimum guaranteed availability of spare parts (from the date of end of the placement on the market)                   | 2                                                 |   |     | Years   |
| 23. | Minimum guaranteed product support                                                                                     | 5                                                 |   |     | Years   |
|     | Minimum duration of the general guarantee offered by the supplier                                                      | 2                                                 |   |     | Years   |
| 24. | Art der Stromversorgung (Netzteil)                                                                                     | Intern                                            |   |     |         |
| 25. | External power supply (non standardized and included in the product box)                                               |                                                   |   |     |         |
|     | <i>i</i>                                                                                                               | -                                                 |   |     |         |
|     | <i>ii</i>                                                                                                              | Eingangsspannung                                  | - |     | V       |
|     | <i>iii</i>                                                                                                             | Ausgangsspannung                                  | - |     | V       |

|            |                                                                                         |  |   |    |
|------------|-----------------------------------------------------------------------------------------|--|---|----|
| 26.        | External standardised power supply (or suitable one if not included in the product box) |  |   |    |
| <i>i</i>   | -                                                                                       |  |   |    |
| <i>ii</i>  | Benötigte Ausgangsspannung                                                              |  | - | V  |
| <i>iii</i> | Required delivered current (minimum)                                                    |  | - | A  |
| <i>iv</i>  | Benötigte Stromfrequenz                                                                 |  | - | Hz |
