The energy label features the European Union Energy Label logo with 'ENERG' and 'енергия • ενεργεια' in multiple languages. The model number 'BO6717E03X' is prominently displayed next to the 'gorenje' logo. A small icon of the oven is shown with a power cord. The energy efficiency classes are represented by horizontal bars: A+++ (black), A++ (black), A (white with black border), C (black), and D (black). Below these are two boxes: one for a built-in oven with a volume of 77 L and a consumption of 0.97 kWh/cycle\*, and another for a freestanding oven with a consumption of 0.82 kWh/cycle\*. At the bottom, there is a small note in multiple languages and the date '65/2014'.
